59TH ANNUAL WASHINGTON WEEK ONLINE

MARCH 14-18, 2021 • ussenateyouth.org

104 STUDENTS WILL BE SELECTED FOR A GOVERNMENT AND LEADERSHIP ONLINE EDUCATION PROGRAM AND WILL EACH RECEIVE A \$10,000 UNDERGRADUATE COLLEGE SCHOLARSHIP WITH ENCOURAGEMENT TO PURSUE COURSEWORK IN HISTORY AND POLITICAL SCIENCE.

The United States Senate unanimously passed a resolution in 1962 creating the UNITED STATES SENATE YOUTH PROGRAM (USSYP), a national nonpartisan initiative to provide an annual opportunity for talented high school students with demonstrated leadership abilities to deepen their understanding of America's political processes and strengthen their resolve to pursue careers in public service.

The USSYP annually brings the highest-level officials from each branch of government to meet with this outstanding group of young leaders—two high school juniors or seniors from each of the fifty states, the District of Columbia and the Department of Defense Education Activity (DoDEA)—for an intensive week-long education and leadership program. The program is merit-based and highly competitive.

Now in its fifty-ninth year, the program known as Washington Week has been fully funded since inception by THE HEARST FOUNDATIONS as an enduring commitment to preparing young people for civic leadership in our participatory democracy.

Numbering more than 5,800, USSYP alumni serve the country in many ways. USSYP alumni have become leaders in government, law, business, education, journalism, the military, medicine, health care, higher education and many other fields. Alumni serve as elected and appointed officials at all levels of government, including two United States senators, many congressional staff members, a former governor, former senior political advisors to the president of the United States, former ambassadors and former federal judges. The commonality to all of their success is the desire to serve.

THE PROGRAM

THE 59TH ANNUAL UNITED STATES SENATE YOUTH PROGRAM WASHINGTON WEEK ONLINE WILL BE HELD SUNDAY, MARCH 14–THURSDAY, MARCH 18, 2021.

Delegates will participate in interactive online policy addresses with senators, cabinet members, officials of the Departments of State and Defense, leaders of other federal agencies and senior members of the national media. Delegates traditionally participate in a meeting with a justice of the U.S. Supreme Court and the president of the United States. Speaking events typically include in-depth question and answer sessions.

APPLICATION AND SELECTION

Two student delegates and a first and second alternate will be designated by the chief school officer from each state, the District of Columbia and DoDEA by February 5, 2021. The Hearst Foundations will provide \$1,000 to each state-level department of education to assist with the selection expenses for the program, and will also provide a public affairs examination that may be used in the selection process. Applications may be obtained directly from the state-level selection administrator for each state. **Application deadline dates and processes vary by state.** All state contacts, websites and deadlines are accessible on the USSYP website homepage: www.usenateyouth.org

HOW TO QUALIFY

Qualified high school juniors or seniors must show demonstrated leadership by serving in elected or appointed positions in which they actively represent a constituency in organizations related to student government, education, public affairs and community service.

For the 2021 Washington Week program, student government and other qualifying leadership positions held during the previous academic year (2019-2020) may allow a student to qualify for the 2021 program if typical student leadership elections or appointment opportunities are not available due to the coronavirus pandemic.

All student leadership positions must be verified and approved by the state selection administrator to qualify—see Rule 1 (a–e). Students must have served or be actively serving in qualified leadership positions, be enrolled in high school and living in the state (and for these purposes the District of Columbia) that they will represent for the entire 2020–2021 academic year.

The DoDEA central administrative office will select the DoDEA delegates and alternates residing overseas. Military dependents who reside and attend schools in the U.S. shall apply for the program under the RESIDENCY ruling shown below.

Alternate delegates will be selected as replacements if a primary delegate is unable to participate in Washington Week. If the primary delegate is unable to participate, The Hearst Foundations must be notified in advance.

Attendance during the entire formal timeframe of Washington Week ONLINE is required to receive the financial scholarship.

Appropriate disposition of scholarship funds will be determined by the program director if a primary delegate is unable to participate in the program due to emergency circumstances, or is dismissed.

Selection will be based on the student's outstanding abilities and demonstrated qualities of leadership in an elected or appointed student office for the 2019-2020 or 2020-2021 academic years. **The primary purposes of the qualifying leadership position must be representation of a constituency and service to others.** A student who graduates high school at the close of the fall 2020 semester/quarter is not eligible to

apply for the program, and students other than DoDEA delegates must be residing in one state of primary residence in the U.S. during the entire 2020-2021 academic year to participate.

1. Any high school junior or senior student is eligible for the program provided they have not received a USSYP scholarship. Qualifying positions include a high-level leadership position in any one of the following student government, civic or educational organizations:
 - a. Student Body president, vice president, secretary or treasurer
 - b. Class president, vice president, secretary or treasurer
 - c. Student Council representative
 - d. A National Honor Society officer (including discipline-based Honor Societies such as the National English and Social Studies Honor Societies that include service components)
 - e. Student representative elected or appointed (appointed by a panel, commission or board) to a local, district, regional or state-level civic, service and/or educational organization approved by the state selection administrator.

NOTE: Due to COVID-19, if typical election and appointment opportunities for student leadership offices are not being made available due to the pandemic, a student may qualify through previously held positions during the 2019-2020 academic year under rule 1 (a-e), subject to verification and the judgement of the state selection administrator.

2. **Participation or holding an officer position in academic clubs, educational competitions designed primarily for the student's personal development do not qualify a student for the USSYP, although many students who qualify participate in these activities. The positions listed below DO NOT qualify the student for the program:**

- Attendance or officer position at Boys/Girls Nation or State conference
- Member of a National Honor Society (serving as an elected officer for the organization for the entire school year is acceptable)
- Member or leader of the Boy Scouts, Girl Scouts or JROTC
- A founder or chairperson of a self-created group
- A participant, captain or officer in Mock Trial, Debate Team, Model UN, or other academic club, conference or competition where the primary engagement is for individual educational enrichment.

RESIDENCY: Each student must be a legal permanent resident or citizen of the United States at the time of application. Students who are not U.S. citizens must be in possession of their I-551 / "green card" at the time of application to be eligible to apply. Students must be enrolled for the entire academic year in a public or independent high school located in the state (and for these purposes the District of Columbia) in which at least one of their parents or guardians currently resides.

Home-educated students must be approved by their state department of education to apply.

Exceptions to the residency requirement will only be made in the following cases:

- a. Students from DoDEA overseas will represent the state(s) of which the parents/guardians are U.S. legal voting residents. Students attending DoD schools in the U.S. or students enrolled through U.S. military bases in local schools must be residing in the state in which their school is located for the entire academic year.
- b. Students may reside in a state other than the state in which they attend school if they are enrolled in the only designated public high school available to them in a school district that crosses contiguous state borders through legal interstate agreement. Students in these schools shall make application to the program through the state where the high school is located and shall represent that state if selected.

WHEREAS the continued vitality of our Republic depends, in part, on the intelligent understanding of our political processes and the functions of our National Government by the citizens of the United States; and

WHEREAS the durability of a constitutional democracy is dependent upon alert, talented, vigorous competition for political leadership; and

WHEREAS individual Senators have coop- erated with various private and university undergraduate and graduate fellowship and internship programs relating to the work of Congress; and

WHEREAS in the high schools of the United States, there exists among students who have been elected to student body of- fices in their junior or senior year a potential reservoir of young citizens who are experiencing their first responsibilities of service to a constituency and who should be encouraged to deepen their interest in and understanding of their country’s political process: Now, therefore, be it

RESOLVED, That the Senate hereby expresses its willingness to cooperate in a nationwide competitive high school Senate youth program which would give several represen- tative high school students from each State a short indoctrination into the operation of the United States Senate and the Federal Government generally, if such a program can be satisfactorily arranged and completely supported by private funds with no expense to the Federal Government.

RESOLUTION 146. To amend S. Res. 324 of the Eighty-seventh Congress to provide for the participation of the Department of Defense education system for dependents in overseas areas in the Senate Youth Program.

Resolved, That S. Res. 324, Eighty-seventh Congress, agreed to May 17, 1963, is amended by adding at the end thereof the following new section:
